

Saint James School

2023 Profile

As the leading independent college preparatory school in Central Alabama since 1955, Saint James School inspires students of all ages to discover their special talents, strive for achievement, serve others, and fulfill their powerful potential. In every classroom, from preschool to our most rigorous high school courses, students are challenged and mentored by their teachers as they develop strength of character and essential academic skills and knowledge. With a current enrollment of 850 students, our diverse student population includes students from an average of 15 countries in any given year. Saint James School offers a broad mix of college preparatory classes and extracurricular programs that meet a wide range of interests in academics, arts, and athletics, set in a learning community grounded in support, guidance, and encouragement.

Advancement Placement® Guidance and Results

AP classes begin in the 9th grade, and students can take an unlimited number of these classes. All students who take an AP class are required to take the exam, and Saint James students consistently score above both the global and state averages for those courses offered. In May 2023, exam scores in 89 percent of classes offered exceeded the state and global average. The following graph outlines AP scores for the 19 classes taken during the 2022-2023 school year.
